

Government of Himachal Pradesh
Rural Development Department
No. RDD-E005/23/2022-SBM-G-*email -NIL*

From,

The Commissioner MGNERGA-cum-Mission Director SBM(G),
Department of Rural Development,
Shimla, Himachal Pradesh-171009.

To,

All the Deputy Commissioners
In all the Districts of Himachal Pradesh

Dated: Shimla -171009; 20th Nov 2022

Subject: Activities to be taken up for Liquid Waste Management (LWM) under SBM-G critical for achieving better ranking under Swachh Survekshan Grameen (SSG) 2023.

Sir/Ma'am,

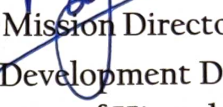

In continuation to VC conducted by Ministry of Jal Shakti on 21st Nov 2022 regarding the launch of Swachh Survekshan Grameen 2023, it becomes immensely important that state achieves the highest ranking possible. Even this issue has been highlighted by the Worthy Principal Secretary (RD & PR) who has also desired that the state should not only identify gaps in LWM but should take positive steps to address the Grey Water management in the state on immediate basis. Hence it has been decided that to achieve better ranking following activities under convergence with MGNERGA should be started immediately at village level for which necessary amendments by taking ex post-facto approvals in MGNERGA shelves in convergence with SBM(G) be done accordingly.

- *Construction of minimum 100 individual &/or community Soak Pits in a project mode at every Gram Panchayat level through MGNERGA in Convergence with SBM G funds to saturate the GP under LWM.*
- *This activity as a project is pre-approved by Commissioner MGNERGA.*
- *Approval for these Soak Pits will be taken up as a project (Each Project to consist of a group of soak pits) in Cluster/Ward/Village/Gram Panchayat from the BDO and for the same approval of Gram Sabha shall be taken up in upcoming Gram Sabha ex post-facto.*
- *Performance of blocks will be measured cumulatively as per the targets attached.*
- *All the MIS & Geotagging will be done in accordance to MGNERGA guidelines.*

Since any shortfall in achieving/ strengthening of LWM will seriously impact its performance

in the forthcoming SSG-2023. Its, therefore requested, to direct all the concerned officers/ officials under your jurisdiction to achieve the desired targets by 15th Jan 2023 so that during Swachh Survekshan Grameen 2023 verifications assets ready & in operational state.

Yours Faithfully,

Commissioner MGNERGA-cum-Mission Director SBM(G),
Rural Development Department,
Government of Himachal Pradesh.
