**Dated: Shimla-171009, the 3<sup>rd</sup> October, 2020**

Subject: -

**Implementation of MGNREGS.**

Sir,

I am directed to inform you that the department has decided to revise the instructions issued by the department for following works:-

- 1) **Cattle Shed:-** As per Master circular 2020-21 ,New Cattle Shed is a permissible work. Therefore, a new Cattle Shed can be constructed with a cost of Rs. 1.00 lakh and size of the cattle shed is **7.00m x 4.00m and height 2.1m**. If the beneficiary intends to reduce the size of Cattle Shed then the amount will also reduced in proportion to above mentioned dimension. The factor of Rs. **3571.42 Per/Sqm** is to be used for sanctioning the amount. **For example:- Total area in Sqm x 3571.42 = Amount to be sanctioned per beneficiary per cattle shed** and strictly local material and is to be used after attaining certificates from Veterinary Doctor. One lakh will be the maximum ceiling. The 60:40 ratio of labour/ material component should be maintained.
- 2) **Water Harvesting Tank:-** Due to hike in labour as well material cost its limit is to be revised up to Rs. 1.50 lakh per unit and size of tank will be **3.6mx3.6mx2.4m = 31.10 Cum equals to 31000ltr aprox**. The 60:40 ratio of labour/ material component should be maintained. If beneficiary intend to exceed the limit of 1.50 lakh, the over and above cost is to be borne by the beneficiary itself.

- 3) **Construction /Repair of Pucca Path:-** As per Master Circular 2020-21 Construction/repair of Kaccha/ Pucca Path is not a permissible work under category rural connectivity but as per instruction issued by Joint Secretary (RD) to the Govt. of H.P. vide his letter No. SMS-1/2011-12 RDD-Vol-I dated 31.03.2012 C/O Pucca Path can be taken up under MGNREGA as the last priority of work. In this regard it is submitted that there are ward/villages where road cannot be constructed, therefore, permission has been granted to construct/ repair of Pucca path at least one in each Ward /Village during the FY.
- 4) **Regarding Construction of Wall Near House under Land Development:-** As per letter No. SMS-1/2018-19-RDD-3144-3247 dated 06.11.2018 circulated by the Director-cum Special Secretary Rural Development to the Govt. of Himachal Pradesh, an amount of Rs.35,000 has been fixed for Construction of Wall near house under land development. But due to hike in labour as well material cost its limit has been revised up to Rs. 50,000/-. The 60:40 ratio of labour/ material component should be maintained.

*The above instructions will not implement for on going works which are being executed.*

You are, therefore, requested to adhere to the decisions above instructions.

Yours faithfully,

  
**Joint Director**  
**Rural Development Department**  
**Himachal Pradesh, Shimla-9**
